The screenshot shows the IBM Watson Assistant web interface. The top navigation bar includes 'IBM Watson Assistant', 'Life', 'Upgrade', and 'HOSPITAL BOT'. The left sidebar contains 'Actions', 'Variables', and 'Saved responses'. The main area displays a table of actions created by the user.

Name	Last edited	Examples Count	Status
Hello	5 minutes ago	2	✓

At the bottom of the table, it says 'Items per page: 50' and 'Showing 1-1 of 1 actions'. A 'Preview' button is located at the bottom right of the table.

The screenshot shows a preview of a chat interface. The background is a photograph of a clothing store interior. A yellow chat bubble contains the text: 'Hi! I'm a virtual assistant. How can I help you today?'. Below the bubble are three example messages: 'Hello', 'Example: Check account balance', and 'Example: See how I can help'. At the bottom of the chat bubble is a text input field with the placeholder 'Type something...' and a 'Send' button. The bottom of the screen shows the Windows taskbar with the time 8:55 PM on 11/8/2022.
